THEOLOGY OF THE BODY

This 8-part study will give you a solid understanding of God's plan for humanity. It addresses the most fundamental and universal questions:

1. What does it mean to be made human, male and female, in the image and likeness of God?
2. How can I live my life in a way that brings happiness and fulfillment?

This study is for every "body" who desires to reach his/her full potential in this life.

JEWISH ROOTS OF HOLY WEEK

If you knew you only had one week left to live, how would you spend it? What would you do?

Most people know that Jesus celebrated the Last Supper on Holy Thursday, died on Good Friday, and lay dead in the tomb on Holy Saturday. But what about the *other* days of Holy Week? What did Jesus choose to say and do on the last seven days of his life?

In these riveting presentations, Dr. Brant Pitre takes his knowledge of the Jewish roots of Christianity and uses it to unveil the mysteries of the most sacred and solemn week of the entire year: "Holy Week."

**Why We Worship
(Dr. Brant Pitre)**

WHY WE WORSHIP

Christians today have lots of different opinions about what "worship" should look like. Some think it should be all preaching, others think it should be 'entertaining', still others think it's all about the music. **But what does the Bible say about worship?** And why do Catholics do what they do at Mass? Why all the standing, sitting, kneeling, & repetition? Where does it all come from?

Many Catholics know what to do at Mass, but not *why* we do it. And many non-Catholics are confused by the rituals and words of the Mass. Some even think that most of the Mass is just 'made up'--a tradition of men. Nothing could be further from the truth. If you've ever wondered about whether or not the Mass is biblical, then look no further.
